

TestGraphPathfinding
::testFindPath_7_EqualPaths

```
graph LR; A[TestGraphPathfinding  
::testFindPath_7_EqualPaths] --> B[Graph::findShortestPath]; B --> C[Graph::runDijkstra];
```

The diagram is a horizontal flowchart with three rectangular boxes connected by blue arrows. The first box on the left is shaded gray and contains the text 'TestGraphPathfinding' followed by '::testFindPath_7_EqualPaths' on the next line. A blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'Graph::findShortestPath'. Another blue arrow points from the right side of the second box to the left side of the third box. The third box is also white with a black border and contains the text 'Graph::runDijkstra'.

Graph::findShortestPath

Graph::runDijkstra
